

Pittsburg Panthers Vanquish Stanford Eleven, 16 to 7

EASTERN PLAYERS OUTCLASS RIVALS THROUGHOUT GAME

Westerners Strong Defense Holds Down Score—Both Teams Crippled.

STADIUM, Stanford University, Cal., Dec. 30.—(By A. P.)—The Panther football team from the University of Pittsburgh had little trouble in defeating Stanford University, 16 to 7, here today in the second east-west game of the season. The visitors outclassed the Cardinals throughout the game and except for a few minutes during the last period were on the offensive.

Only a vicious Stanford defense prevented the score from being higher. Six times the Pitt backfield, with its crack fullback, Flanagan, doing most of the work by line backs and forward passes, carried the ball to within the Stanford 20-yard line and six times Stanford held and punted out to safety.

It was one Warner-trained team playing against another and the most experienced eleven won. Glenn Warner, who is coach of the Stanford team, is also advisory coach of the Stanford team and comes to take full charge of the eleven in 1934.

Stars Out of Game. Both teams were crippled by the absence of stars. On the Stanford side, Art Wilcox, former captain and star "triple threat" man, was out with injuries while the Pitt team played for all but three minutes without Holleran, its captain. Holleran entered the game for the last three minutes of play.

Costly Stanford fumbles helped Pitt run up its score today, although it is probable that the scores would have been made anyway for the Panther backfield tore through the line almost at will during part of the game.

In the second period, the first Pitt touchdown was made when Cuddeback fumbled. Bower recovered and after several bucks, Hewitt went across the goal line. The Cardinals, who were leading 7-0 at the time, were unable to get back into the game.

Then came the Stanford offensive. Just as it came in the big game against California, when after playing on the defensive three periods, the Cardinals turned and fouled the field. A forward pass, Cleveland to Thomas, gave Stanford the ball on Pitt's 29-yard line but the Panthers regained possession by intercepting a forward pass. Stanford was not to be deterred, however, and with the Cardinals leading 14-0, they drove to the end zone, scoring a touchdown and a field goal.

Approximately 10,000 persons attended the game and the larger crowd was expected, but threatening clouds kept many away.

Evans Acclaims Grid Career of Kirk, Dead Star

Critic Compares Passing of Former Notre Dame Man to That of Gipp.

The untimely death of Benny Kirk, star end of the University of Michigan football team, came as a great shock to every lover of the game.

It was the irony of fate, that Kirk, who not once during his entire football career asked for time out because of an injury, should die as the result of an automobile accident.

Kirk was unquestionably the best end in the west, if not the country, has produced in years. As a defensive player he was without a peer. He also was very proficient in handling the forward pass.

Kirk starred in every game that Michigan played during the 1932 season. No one player meant more to the success of Yost's great eleven than Kirk. Every critic in the west selected Kirk on either the "Big Ten" or middle west all-star teams. A great majority of the critics of the country placed him on their All-America eleven.

The untimely death of Kirk recalls a similar fate that befell George Gipp, famous Notre Dame star. Every lover of football recalls how Gipp at the close of a brilliant football season was stricken with pneumonia and died just at a time when he was the most talked-about player in the football world.

It is a rather strange coincidence that Kirk was a member of the Notre Dame football team on which Gipp starred. The death of Kirk marks the passing of that once-famous forward pass combination—Gipp to Kirk. For he it known that Kirk played a year at Notre Dame before coming to Michigan.

Kirk, like Gipp, died at the height of his stardom. Both had finished the greatest season in their football career, when illness in the case of Gipp, and an accident to Kirk, took them away.

Kirk contributed one of the feature plays of the year in the game with Illinois. Receiving the kick-off, Kirk ran 80 yards through the Illinois line for a touchdown. It was the play that took much of the steam out of Illinois.

Kirk will be long remembered by Michigan men and others who had seen him in action. He was a player that always gave the crowd a thrill in him—the type of which any college may well be proud.

KNAPP CHAMPIONS CAUSE OF HERZOG IN BENTON CASE

Legal Adviser to Jack Dunn Engaged to Launch Fight for Ex-Baseball Player.

BALTIMORE, Md., Dec. 30.—Charles H. Knapp, famous in baseball as legal adviser to Jack Dunn, once elected president of the international league and for years a fixture in the fight against the draft, was today engaged by Buck Herzog to clear any suspicion around his name in connection with the Rube Benton case.

Herzog was involved in the original Benton scandal, being accused jointly with Hal Chase, of having offered Rube a sum of money to throw a game to the Cubs in 1920. There was a hearing before Prest Hodier at the time. Nothing was done with either Benton or Herzog.

But Herzog is not satisfied. Benton is back in the National League and Herzog is out of organized baseball. "Herzog has instructed me to spare no money or pains to clear up the case," said Knapp. "We have gone over the case and I am more than ever convinced of Herzog's innocence."

"There will be no passing of the buck this time. Baseball authorities had better clear 'Honey' as any possible connection with the case or convict him."

"Herzog is not sure he ever will be connected with organized baseball again, but that doesn't matter. He has a great deal of pride in his name and he is determined to clear it up."

WOULD JOIN NAVY.

WARSAW, Dec. 30.—Carl Hand, 14, and Robert Hayden, 16, disappeared from their homes here last night, presumably to join the navy. They went to Chicago. Parents of the youth are making inquiries at naval recruiting stations.

Plenty of excitement was furnished by the special squad of class B bowlers in the City Tournament play Saturday afternoon. By the manner in which the Studebaker league entries opened their attack, it appeared as though the Singers-Yard team was due to relegation to the rear. But the pace started by the attackers was too strenuous and the result obtained after the snarl cleared was that two teams had earned prize checks.

Department No. 108 was especially arrogant in manner for the first five frames of the opener they had not a open frame. But after this the devil dogs made their appearance and they finished the first game was \$32, a gain, which had it continued, would have been sufficient to dislodge the leaders. But the pace was too hot and they finished in third place with 2412. Department No. 104 staged a thrilling finish, Frank Foreman, the leader, scored 226. But at the close of hostilities it was found that they were 32 sticks short of the coveted position.

Foreman and Camp carried the lead for Department No. 104 while Tedida and Miller were the scorers of the battle for No. 108. Joe Borsodi kicked in with a total of 590 for Department No. 118 but there were two men on the team below 400 and that was too much of a load for the good going boys to carry. It was the first experience for most of the bowlers rolling in class B. And it proved a revelation for them. The scores of the special squad are appended:

A. A. U. MAY BAR RAY AS AMATEUR

Star Distance Runner Must Return \$100 Expense Money Before First of January.

NEW YORK, Dec. 30.—(By A. P.)—Joe W. Ray of Chicago, crack distance runner and holder of the national mile championship, who is under temporary suspension until Jan. 1 for receiving alleged exorbitant expense money, faces permanent debarment as an amateur athlete after that date unless he refunds \$100, the amount involved, to the Amateur Athletic Union before midnight tomorrow.

Frederick W. Rubien, secretary of the A. A. U., declared tonight that Joe W. Ray had not returned the money, although he said he understood the Chicago star intended to do so and planned an extended indoor running campaign early in the new year. Mr. Rubien pointed out, however, that under the action taken by the A. A. U. in November, when Ray was temporarily barred, permanent suspension will become effective automatically unless the money is refunded before the close of 1932.

Joe Loomis, of Chicago, who with his brother Frank, was suspended at the same time as Ray and for similar reasons, has assured his restoration to good standing. Mr. Rubien said, by refunding five dollars. "No word has been received from Frank Loomis, who was asked to refund \$20, but it is pointed out that he has already forfeited his amateur standing by being engaged as a professional coach. The Loomis brothers gained fame as all-around stars in track and field meets."

IRISH BASKETBALL MEN RESUME WORK AFTER WEEK'S REST

Notre Dame Cagers Hold Fast Workout Preparatory to Western Invasion.

The Notre Dame basketball squad returned to this city yesterday morning and was put through a fast workout at the university gym by Coach Walter Halas. Another workout was held in the afternoon on the Y. M. C. A. floor.

Several new formations were tried out yesterday and the entire squad is in readiness for their western invasion on Tuesday, Wednesday and Thursday of this week. The members of the squad seem none the worse for their layoff of the past week, when they were allowed to return to their homes for the Christmas holidays. Capt. Mickey Kane is still bothered by an infected finger which has kept the peppery Irish leader out of the earlier games, and it is doubtful whether he will be able to get into the games to be played this week.

The Northwestern university five will be met at Evanston Tuesday night and the local squad will then jump to Iowa City for the annual game with Iowa on Wednesday night. Armour Institute of Chicago will be played at Chicago Thursday night on the return trip.

Notre Dame is fast rounding into mid-season form, and with another day's workout the team is expected to be in shape to give a good account of itself on its invasion of the west. Coach Halas is planning to carry two full teams on the coming trip to overcome stiffness which was experienced on the first trip to the west. The local collegiates had little trouble in defeating Illinois Wesleyan 32 to 25 at Bloomington and Bradley 19 to 18 at Peoria, but the heavy strain of successive games was evident on the squad, the team being close games to James Miliken at Decatur and the University of Illinois at Urbana.

Match Likely Soon

That title is now held by Jimmy Wilde, one of the greatest little fighters of his weight in the game. Some have produced. In all probability a match between Wilde and Villa is a matter of the very near future.

Wilde has announced that he is willing. Villa is more than willing, so all that remains necessary is for one promoter to come through with a satisfactory offer.

Prior to his victory over Buff, and the winning of the American title, little had been heard of Villa. That was largely due to the fact that he was always giving away many pounds. Since capturing the championship, however, he has been more careful. He is now a world's champion and it is still necessary for him to go out of his class to keep busy.

Will Keep Wilde Busy

Keeping busy is Villa's greatest worry. A great many fighters start to worry as soon as they are signed to meet a famous opponent. Not Villa. His only worry is when he has no matches scheduled.

Villa is a great fighter because he likes to fight. His work in the ring is play to him, he enjoys it. He can hit, he is very clever, he has a good head, and he has a good heart. He is a fighter who is always ready to go out and win.

MONTGOMERY, Ala., Dec. 30.—(By A. P.)—Coach Mike Donahue, for nine years head coach at the Alabama Polytechnic Institute, Auburn, announced here today that he had signed a contract with the Louisiana State university college at Baton Rouge. Donahue stated that his brother Frank, was suspended at the same time as Ray and for similar reasons, has assured his restoration to good standing. Mr. Rubien said, by refunding five dollars. "No word has been received from Frank Loomis, who was asked to refund \$20, but it is pointed out that he has already forfeited his amateur standing by being engaged as a professional coach. Yost Discoverer Of Forward Pass Play In Football

CHICAGO, Dec. 30.—(By A. P.)—The discoverer of the play chiefly responsible for the modern-day style of football—the forward pass—has just been found. He is Fielding H. Yost, veteran coach at the University of Michigan. Twenty-five years ago, nine years before the forward pass was used in football, he introduced the spiral throw, using it first at the Wesleyan university to teach punters how to kick a spiral.

Using his hand instead of his foot, for Yost says he was a poor punter, he explained to his squad how to impart a whirling motion to the oval, to give it speed and direction. For many years he used this trick in coaching his backfield, and in 1905, the year before the present-day forward pass, he published in a book on football, illustrations of his method of getting off the spiral throw.

"In executing the 'spiral throw,'" Yost said in his 1905 article, "place the ball on the hand as in the illustration. The ball should be gripped across the palm in the base of the thumb to the end of the little finger. The arm should be brought around forward in a horizontal line and, just as the ball leaves the hand, it should be caused to revolve on its axis by suddenly jerking the hand around the ball and to the left."

"The oval will thus be made to rotate like a spiral kick. The end of the ball that is ahead in the picture must be kept ahead all the time. The ball in this manner can be thrown with ease from 30 to 40 yards. The revolution of the ball on its axis should be rapid. This pass can be made with or across the wind and with practice the player can control its distance and direction almost as well as if the oval were a baseball."

SOUTH BEND BESTS FT. WAYNE TANKERS BY 37 TO 31 SCORE

Consistent Performance of Local Swimmers Returns Them Close Winners.

The South Bend Y. M. C. A. swimming team defeated the Fort Wayne team, 37 to 31, last night at the Public natatorium. Coach Slater's men fought hard but the more consistent performance of the local team won for them. Plo of Fort Wayne set an unofficial record for the 40-yard breast stroke when he made the distance in the remarkable time of 26.2 seconds. He was an easy winner, with Russell of Fort Wayne and Taylor of South Bend fighting second. Russell won out a first in the 40-yard back stroke, with LeGate and Martin second and third. Schutt and Johnson of Fort Wayne swam an even race until the last few feet, when Schutt forged ahead, winning. McCurdy of Fort Wayne narrowly missed out a first in the 200-yard free style, with Goetz and Plo of Fort Wayne finishing second and third.

Music was furnished by the Y. M. C. A. orchestra. Little Miss Dailey of this city entertained with a rose dance during the intermission. Halmer, Gamble and McCoy were the judges and time keepers.

Both Russell of Fort Wayne and Goetz of Fort Wayne were watched with the length of the tank, but Darling lost because it took him overtime to do it. Plo was third. The South Bend relay team, composed of Oberlin, Johnson, Schutt and LeGate, easily won the relay race. LeGate also easily won the 200-yard free style, with Goetz and Plo of Fort Wayne finishing second and third.

P.)—The first act in international tennis was played last night in an announcement by the United States Lawn Tennis association that Ichiji Kumagae and Seishiro Kashi, Japanese stars, who have gained fame in this country in past seasons, will return soon to prepare for the coming season. Amateur Athletic Federation Opens First Convention

BY JACKSON V. SCHOLZ (U. P. Staff Correspondent)

NEW YORK, Dec. 30.—The National Amateur Athletic Federation of America, set away to a flying start in its first annual convention and formally assumed its place in the athletic world. The meeting was conducted with every indication that the new organization was here to stay.

The federation, it was explained at some length by various speakers, is in no way a controlling body and its purpose is not to usurp the power of organizations of which it is composed. All of which appears to have been a round-about way of informing the A. A. U. that the latter organization need feel no apprehension in joining the federation.

FOURNIER MAY HEAD BALL PLAYERS' UNION

ST. LOUIS, Dec. 30.—(By A. P.)—Jack Fournier, the St. Louis Nationals' first sacker, who has been mentioned as a possible president of the newly formed ball players' union, tonight admitted he was a member of the organization but added he could not say at this time whether he would accept the presidency if it were offered to him.

"If the Baseball Players' union is for the good of the players and in no way jeopardizes the sport, I am in favor of it," he asserted. "However, my ball club comes first."

Former Chicago Star to Continue Five Years as Athletic Director.

INDIANAPOLIS, Ind., Dec. 30.—(By A. P.)—Harlan Orville (Pat) Page signed a contract today to continue as director of athletics at Butler college here for the next five years. Announcement was made by the board of trustees at Butler tonight.

Page came to Butler in 1926 from the university of Chicago, where he had been schooled both as a player and a coach under A. Alonzo Stagg. During the three year period that he has been here, Butler has been represented by winning teams in all branches of sport. A synopsis of the football seasons show that Butler has won 21 of the 28 games played, including a victory this season over Illinois. In basketball the Bull Dogs have won 62 games and lost 14 and in baseball they have done equally well.

The board of trustees did not give the particulars of Page's retention, the board saying it "believed it had obtained the best athletic director of the younger generation to be found in the country."

"Mr. Page has developed a fine system of physical training for all students, has organized intramural sports on a large scale, and has built up varsity teams in all branches of sports that have competed successfully with the best in the middle west," the statement continued. "We know of no other man in the country who has successfully coached all four major sports."

In accepting the new contract, Page said he believed that the location of Butler in Indianapolis presented a real opportunity. Butler college will be moved to a new location within a year, the deal for the site having been completed several days ago. It also was announced today that a stadium which will hold 50,000 persons will be built at Butler, work to be started in 1934.
